Dear Ms. Holland:

I have reviewed the inspection report and determined that no violations of RCRA were documented. Therefore, no further action concerning this matter is necessary at this time. Please note that the EPA reserves its enforcement authorities, including assessment of penalties, for violations that occur at any time, regardless of whether the violations were subsequently corrected.

I encourage you to contact the Missouri Department of Natural Resources (MDNR) at (573) 751-3176 to ask any questions you may have regarding the regulations.
